In June of 2015, we suddenly lost our baby, Julianne Addison Rosela, at age seven. The outpouring of love and support from the Queen Anne's County community was and is the most inspirational testament to the quality of and the everlasting meaning of her life.

Proceeds from this event will directly benefit Kent Island HS and Queen Anne's County HS students in Julianne's name in the form of college scholarships. Proceeds will also directly benefit local families that are affected by a tragic loss.

The QAC community has been very supportive of our family and we are committed to "giving back."
